

CIRS partners with Kroger Community Rewards to support families with children in the community.

The Center for Intervention Research in Schools and Ohio University Foundation is honored to be part of a charitable partnership with Kroger Community Rewards. When you shop at Kroger, your purchase will help CIRS raise much-needed funds for childhood mental health research. The more times a CIRS-registered Kroger Plus card is swiped, the more donations CIRS will receive!

[Here are the instructions to participate:](#)

Register your card online at [Kroger Community Rewards](#)

1. Click on “Sign In / Register” (if you are a new online customer, you must click on “Sign Up Today” in the ‘New Customer?’ box)
2. Sign up for a Kroger Rewards Account by entering your zip code, clicking on your favorite store and entering your email address. You will also need to create a password and agree to the terms and conditions
3. You will then get a message to check your email inbox, using the email address you registered with. Click on the link within the body of the email
4. After seeing a new window, click on “My Account” and use your email address and password to proceed to the next step
5. Click on “Edit Kroger Community Rewards Information” and input your Kroger Plus card number
6. Update or confirm your information
7. Enter **Ohio University Foundations**, then select organization from list (or enter **57551**) and click confirm:
8. To verify you are enrolled correctly, you will see the Center for Intervention Research in Schools name on the right side of your information page

***Remember:** Purchases will not count until after the card is registered. Members must swipe their registered Kroger Plus card or use the phone number that is related to their registered Kroger Plus card when shopping for each purchase to count.*

Now, you can support Children’s Mental Health Research every time you run your grocery errands. Kroger Community Rewards makes fundraising easy—all you have to do is shop at Kroger and swipe your Plus Card! Make sure to tell your friends, co-workers and family members about this simple way to support CIRS & Children’s Mental Health Research.
